Samuel Yoder, VMD

Elizabeth Lopez, VMD

Laurel DeMaula, DVM

## Spa and Stay at Silver Maple

That's right..... beginning April 24th, we will be offering grooming services at Silver Maple Veterinary Clinic provided by Lisa Poper, who has been a client and friend of Silver Maple Veterinary Clinic for almost 20 years. We know her as a kind, compassionate woman who has rescued countless animals in need over the years...Katie, Dixie and Princess to name a few. She has taken in goats that were abandoned in city base-

ments, a Laundromat closet and tied to porches in city neighborhoods. A pot bellied pig kept in a basement, blind due to inadequate nutrition, a l s o ended up in the loving care of Lisa. She w a l k s every year for the Humane Society Walk-a-Thon and has done a lot of work with the Cat Shack. Lisa's farm is a place where happy endings happen...and we

are delighted to have her working with us at Silver Maple. She is a recent graduate of the Cindy Canine Companion Salon and School and a 2 0 0 0 graduate of the James School of Dog Grooming.

So, give us a call at 610-683-7988 for more information.

## Rabies Clinic Info

On Saturday April 24th from Noon to 2pm, we will be having our annual Rabies Clinic. This clinic is a community service event we have offered for more than 15 years. It allows folks to get reduced cost rabies vaccinations and also benefits our Mooch Memorial Fun, as all proceeds go to this fund.

We ask that cats be in a carrier and dogs be on a leash. The cost for the vaccination is only \$10.00! Please be sure to bring proof of previous rabies vaccination in order to be issued a two year certificate.

Please call us at 610-683-7988 for further information.

**Rain or Shine!**
