(CGC) Program

What is it?

Welcome to the AKC's Canine Good Citizen® (CGC) Program. Started in 1989, CGC is a certification program that is designed to reward dogs who have good manners at home and in the community. The Canine Good Citizen Program is a two-part program that stresses responsible pet ownership for owners and basic good manners for dogs. All dogs who pass the 10-step CGC test may receive a certificate from the American Kennel Club. Ask us for details!!

Who's REALLY in Charge?

Do you have a new puppy in need of basic obedience?.....or, perhaps an older dog who has you more well trained than he or she is? If you answered yes to either of these questions, we can help you!!

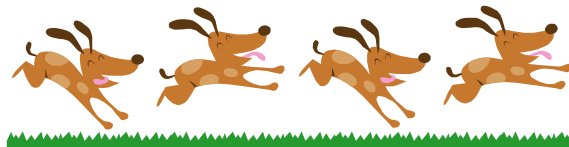

**Sit Ubu Sit!
Good Dog!!!**

Recently, Kelly Adam, took part in a two month program offered by a highly regarded training facility. She has learned the tools to teach or refresh your dog in basic commands, crate training, chewing, nipping and biting, desensitization to touch, socialization and much much more.

You may know Kelly...she's the Manager of our Boarding Kennel. She has many years of experience working with dogs in various capacities. Kelly will be happy to answer any questions you may have about group training or individual personalized training (for those dogs who are a bit more thick-headed than others). Kelly can be reached at 610-683-7988.
