

GROOMING SERVICES BEGINNING APRIL 24, 2010

Spa and Stay at....Silver Maple Veterinary Clinic

Lisa Poper has been a client and friend of Silver Maple Veterinary Clinic for almost 20 years. We know her as a kind, compassionate woman who has rescued countless animals in need over the years...Katie, Dixie and Princess to name a few. She has taken in goats that were abandoned in city basements, a laundromat closet and tied to porches in city neighborhoods. A pot bellied pig kept in a basement, blind due to inadequate nutrition, also ended up in the loving care of Lisa. She walks every year for the Humane Society Walk-a-Thon and has done a lot of work with the Cat Shack. Lisa's farm is a place where happy endings happen...and we are delighted to have her working with us at Silver Maple. She is a recent graduate of the Cindy Canine Companion Salon.
